Custom Wheel Sales and Repair Shop for Sale

This business began in 1985 and has been operated by the current owners since 2009. Their shop, located in Saskatoon, is the largest wheel repair shop in Saskatchewan and has a wide range of clients including car dealerships, auto-body shops, SGI, as well as individual clients looking for a unique set of wheels or are in need of a repair.

This business has a diverse revenue stream and provides both services and products. Products offered include tires, rims, and custom wheels. Services include wheel painting, refinishing, balancing, tire pressure monitoring, and the repair of both tires and rims.

The business employs nine people, most of whom are specialized in different aspects of repair, from painting to machining and welding. Four employees are also trained in front-end sales.

The building includes a 5,100 sq. foot shop with a 650 sq. foot mezzanine and a 600 sq. foot front office. A 1,400 sq. foot heated garage and two sea cans are also on the property.

Adjusted EBITDA is approximately \$200,000 annually.
