

INTEGRATED, DIVERSIFIED SERVICE COMPANY FOR SALE

An integrated, diversified service company with a long-standing presence in Saskatoon. The business operates across multiple complementary divisions and generates approximately \$2M of EBITDA.

The Company has built a strong reputation for reliability and service quality, supported by an integrated operating model and recognized local brands.

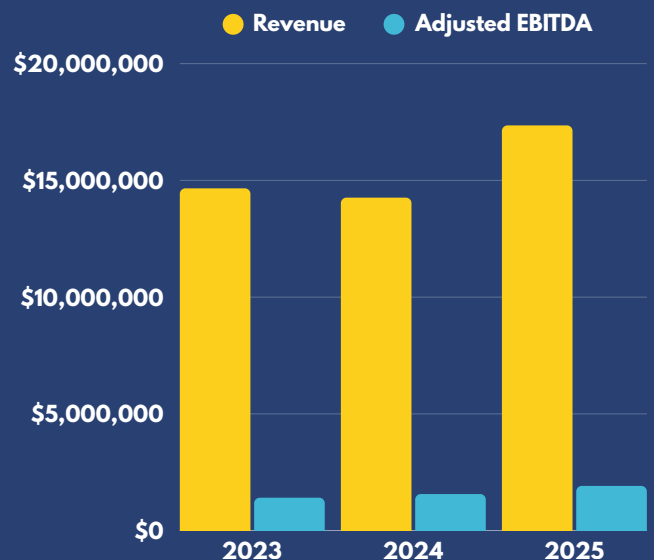

The Company benefits from a diversified and recurring revenue base, with a meaningful portion of revenue generated through contracted services. Operations are supported by experienced management and structured across multiple divisions, each with dedicated oversight, enabling the business to function with limited day-to-day owner involvement.

HIGHLIGHTS

2025 Annual Sales \$17M

Multiple Multi-Year Contracts

Experienced Management
